# Superheroes!
# (Autumn 1)
# Topic Overview

## Communication and Language

Talking to others about themselves and their own choices. Develop listening skills.

Talk and listen to others during play, describing objects using developing language. Listen to, as well as talk about stories, showing understanding. Use new songs and words during their play. Join in and use social phrases.

## Personal, Social, Emotional Development

Think about what makes us special. Be a classroom superhero!

Settle (back) into school life, separating well from parents. Be aware of rules and expectations at school, making friends and playing with others. Developing independence skills such as using the bathroom.

## Physical Development

Superhero training camp!

Climb, swing and balance moving in different ways. Do things for themselves such as buttons and zips. Work together to move large objects. Use tools and equipment with 1 hand.

## Literacy

Share stories about heroes. Learn and sing rhymes and songs.

Sing songs and rhymes together and as a group. Sharing and reading new books, learning new language and talking about them. Make marks and ascribe meaning to them.

## Mathematics

Saying number names, counting up to 3 objects.

Sing number songs together, carefully counting groups of objects and quickly recognising up to 3 things. Do simple puzzles. Think about shapes and how they would use them. Use words like 'under', 'on top', 'behind'.

## Understanding the World

Learn about different jobs, people and how they are similar and different to each other.

Find out about people who help us, and what they do. Know how we are similar and different to each other.

## Expressive Arts and Design

Superhero imaginative play. Making superhero accessories.

Make marks using different media. Join in singing songs and sing them independently. Enjoy simple role play and pretend play based on what they know. Use different materials to make new things.
