### **Year 1 Beach Trip to Weston-Super-Mare**

We are all very excited for our upcoming trip this Thursday (2<sup>nd</sup> July). Here are just a few reminders for the day:

- Children to wear school PE kit to ensure comfort as well as suitable footwear. A school cap will be provided for easy identification.
- We are keeping a close watch on the weather forecast for the day. Currently, it is expected to be cloudy with maximum temperature of around 23 degrees. However, if conditions are predicted to reach the extreme temperatures we have experienced this week, the trip will be cancelled for safety reasons. We will send a further update to you next week.
- Prepare children for the weather on the day. 8 hour sun cream must be pre-applied before school arrival.
- Please send children with a packed lunch and a bottle of water. As there will be no immediate facilities for disposing of rubbish, children should bring a reusable bottle rather than a carton, as they will need to pack up and take all rubbish home with them.
- All children to arrive at **8am** via the school office. Children will then be encouraged to use the toilet before we board the coach. The coach will leave at 8:30am as we have a tight schedule to adhere to.
- We anticipate our arrival back to school at **5pm**. Please have access to your mobile phone throughout the day as updates will be sent via email or text.
- If your child experiences travel sickness, please hand any medication to Miss Clarke on Thursday morning.
- No spending money is necessary.
- No sweets or chocolates in lunches. All lunches to be **nut-free**.
- Children are welcome to bring 1 small toy for the coach. This could be something like a fidget toy, cuddly toy or a book. We will provide colouring pages and pens for everyone.
- Most importantly, an early night for all on Wednesday (teachers included)!

If there are any more queries, please do let us know before Thursday morning.

With thanks,  
Miss Basche and Mrs Khan.
