

St. Stephen's C. of E. First School Joyful June !

30 June 2026

Dear Parents,

We have all managed to survive the June Heatwave although there have been weather reports to say that the temperatures are rising again next week. We will keep you informed about any arrangements and thank you for your patience during that week and any future weeks.

We have had a busy, but Joyful June. We started off by celebrating Eid with our whole school community. What a spread of food we had! It was truly, a joyful celebration. Thank -you again to our families.

The Early Years children have been particularly busy. They were able to go ahead with their Sports morning. They had a great time, scoring goals and crawling through tunnels. They had an incredible trip to Bishops Wood too, where they pond dipped and walked through the Gruffalo Trail.

A group of children in Year 4 went to Newman University to do a presentation about the charity work that they have been doing. They were the children who lead and managed the two Community Café's we had in school this year.

The children in Year 3 had a brilliant day at the Think Tank. The science garden was the best part. They were able to use pulleys to pull themselves up and down and also, 'like gerbils' run inside a wheel to make it go round. One of the children said that it was the best trip they had ever been on.

We hope you enjoy looking at the pictures in this newsletter of these events.

Mrs. Barrett

Looking at what can be found in a pond.

Pond Dipping

Summer Term Two:

17th July –School closes for Summer.

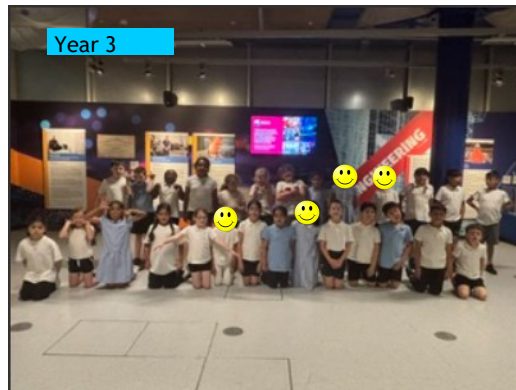

**3rd September—School reopens for the
Autumn term.**

Get through that tunnel as quick as you can!

Year 3 and 4 had the best time at the Think Tank. It was a very hot day but they kept cool by playing in these water tubs.

Eid Celebrations 2026.

RSA4 2026. Some of our Year 4 children were congratulated for their charity work this year.
