Dear Parents/Carers,

IMPORTANT PARKING INFORMATION

The safety of our pupils, their families and school staff is paramount. The safety of the local residents and community is also paramount.

It has been brought to my attention by several local residents that some of our parents/carers are not parking sensibly or with consideration when either dropping pupils off in the morning or when collecting pupils in the afternoon.

Please ensure that **you do not block driveways or stop the flow of traffic on the road**. It is essential that everyone always has clear visibility to access the school and the houses safely and without obstruction.

The area of the road closest to the school is becoming very congested at school start and end times which is causing unnecessary frustration for everyone using the road. I would encourage parents/carers to allow time to park further away from the school and walk the final part of their journey with their children which will help to reduce this congestion, it is healthy for the children and helps to keep everyone safe.

Thank you for supporting the school and the local community.

Your sincerely,

Mrs Sarah Callanan
Principal
